## GUJARAT TECHNOLOGICAL UNIVERSITY

Gujarat Technological University (GTU) is the largest government university in Gujarat, catering to the fields of Engineering, Business Management, Computer Science, Pharmacy and Architecture. GTU has a pool of more than 5,00,000 students and 18,000 professors teaching in more than 500 affiliated colleges/institutes across the state of Gujarat. There are three post graduate schools in the field of Engineering, Management and Pharmacy that are managed by GTU itself. There is also one undergraduate engineering college managed by GTU.

## GTU – Centre for Continuing Education (GTU-CCE)

GTU has set up a Centre for Continuing Education in the month of September 2018 with the objective of providing a platform for specialized certificate courses based on the needs of companies. Any college or institute can propose short term certificate courses under this center. Approval to start the course is given after thorough scrutiny of the proposal by the Advisory Committee of the Centre (Course content, resource person, arrangement of laboratory for practical course, job opportunities after completion of course etc.).
